

APCG Listserv Instructions

If you are a member of the APCG you may send an email to the APCG listserv using the following address:

apcg-l@lists.sonoma.edu (The character before the @ is the letter l, not the number 1)

Your email address (as seen by the listserv when you use it) must match the one for you in the listserv. Many people have pseudonym addresses, especially on campuses, and this sometimes leads to a problem.

When in doubt, contact Dolly Freidel at freidel@sonoma.edu and she will send your message.
