

Association of Pacific Coast Geographers (APCG)
Eugene Hoerauf Scholarship

A grant is available to an undergraduate or graduate student focusing their studies in Cartography and/or Geographic Information Systems. The grant helps defray costs of in-person attendance at the Association of Pacific Coast Geographers Annual Meeting (APCG).

The recipient will receive one paid Annual Meeting registration and one annual APCG student membership, along with tickets to one field trip of their choosing, one barbeque, and one Awards Banquet. Also included is a \$200 travel grant (\$50 if local) to help defray the travel costs.

Applicants must be registered undergraduate or graduate students during the APCG Meeting, and must complete this application form and a one-page essay articulating their interest in Cartography and/or Geographic Information Systems (GIS) by addressing the criteria indicated below:

1. Would you be able to attend an APCG meeting if you did not receive this assistance?
2. How did you become interested in cartography/GIS?
3. How would you like to use your cartography/GIS skills?

Name:

Academic Affiliation:

Email:

Degree level: (undergraduate or graduate student)

Verifying student status: Please include a faculty member who can verify your student status at the time of submission.
