

Association of Pacific Coast Geographers (APCG)
Indigenous Student Travel Grants

The purpose of the Indigenous Student Travel Grant is, through student support, to cultivate indigenous geography scholarship in our discipline and bring Native voices forward. The unique form of geographical knowledge, perspective and expression of Native students enriches the organization and enlivens the conversations geographers have. Native American, American Indian, Native Hawaiian or Alaska Native graduate or undergraduate students are eligible. Awards are to be applied to travel, accommodation, and/or registration expenses at this year's APCG meeting.

Travel awards will be \$200 for current students who attend the conference in-person and \$300 for current students who present (a paper or poster) in-person at the conference. Fees to attend the awards banquet will be waived for the awardees as well.

Application Procedure: The application consists of two parts:

- 1) A 1-page statement about the student's interests in Geography, commitment to attend the conference, statement about the student's Indigenous/Native background, and a description of the research topic (if presenting);
- 2) A supporting letter of reference from a faculty member.

Send student statements and faculty letters as electronic attachments (preferably as a word or pdf file) to the Indigenous Student Travel Grant's contact person listed on the [APCG Awards, Grants, & Scholarships webpage](#). Please write "APCG INDIGENOUS STUDENT TRAVEL GRANT" in the subject line. You may direct any questions to the contact person.

Application Deadline: September 15 (early decisions will be made upon request).
