

Association of Pacific Coast Geographers (APCG)
Travel Grants for Students

To encourage student participation, the APCG will commit \$5,000 to travel grants of \$200 each (except for students from the local area who will be eligible to receive travel grants of \$50). If grant applications exceed \$5,000 total, recipients will be selected by a random lottery. To be eligible for a travel grant, a student must be an APCG member and must present a paper or poster in-person at the annual meeting. However, you do not need to be entered into the paper/poster competition to be eligible for a travel grant.

If you wish to be considered for a Travel Grant for Students, please click the relevant checkbox as part of the registration and abstract submission process before the announced deadline. Recipients will be notified before the meeting and will be awarded grant checks at the banquet or by mail afterward.

Questions? Please submit them to the APCG Travel Grant for Students contact person listed on the [APCG Awards, Grants, & Scholarships webpage](#).

Deadline for applications is the annual meeting's registration/abstract submission deadline.
