

APCG
Margaret Trussell Scholarships
For Graduate Students

The APCG in conjunction with the APCG's Women's Network, is pleased to announce the annual competition for the Margaret Trussell Scholarship. Normally, two scholarships are made annually, one to a woman doctoral geography student and one to a woman master's geography student. All fields of geographical study are welcome. Women students who are members of APCG are encouraged to apply.

The competitive awards are made based on excellence in research design, written proposals and requests for funding, and supportive letters of recommendation. The funds may be used to support fieldwork, archival research, and/or writing. A well-stated research description, timeline of work, and budget are required. Each application should be accompanied by two letters of recommendation from faculty who either know the student or serve on their research committees.

Each application must include the following items:

1. Statement of project including a general overview with references parenthetically cited and a reference section
2. Timeline for completion
3. Budget and identified use of award (\$1000)
4. Graduate Transcripts
5. Two letters of recommendation from faculty members
6. Contact Information

Faculty members are asked to encourage students to apply and support applicants with letters of recommendation. **Applications are accepted in late spring and early summer but no later than August 1st.** Email applications are preferred. If necessary, paper applications may be submitted.

Applicants must be a member of the APCG during the year the award is given. Applicants are asked to attend the Tucson meeting (September 24-27), including the Saturday banquet (unless out of the country). Winners must present a paper concerning the research supported by the award at the APCG meeting this year or next. Winners are further asked to send a short article about their work to the *Pacifica* editor for possible inclusion in a future *Pacifica* issue. Recipients must acknowledge receiving an APCG Margaret Trussell Scholarship in any publication based on the supported research.

Please email applications to:
